

# **Remembering Charles Kellogg - Some Personal Recollections by his Son. (S05-kellogg072808-Oral)**

## **Authors:**

- R.L.Kellogg - *University of Virginia*

## **Abstract:**

Charles Kellogg began his career as a teacher, and in an extended sense of the word he remained a teacher for the rest of his life. It is an aspect of his mind and personality that unified his public and private lives. Growing up I was also aware of him as charismatic personality who moved in a great world outside of our family. As I get older I become increasingly aware of my good fortune growing up in his household.
