

# **Beyond STATSGO: A Web-Based Missouri General Soil Map Publication. (S05-young105011-Poster)**

## **Authors:**

- F.J.Young\* - *USDA-NRCS*
- B.Mayhan - *Univ. of Mo. - CARES*
- R.D.Hammer - *Univ. of Mo.*

## **Abstract:**

The 1:250,000 scale STATSGO map for Missouri has been updated via GIS, using SSURGO (1:24,000 scale) mapping. It is being published as a Web site with links to soil distribution maps within the STATSGO units, landscape diagrams, pictures, soil descriptions, and more. The Web publication is enhanced with links to extensive Missouri soils information already on the Web.

## **Corresponding Author Information:**
