

Synchrotron-Based Studies of Manganese Oxide Biomineralization. (S11-bargar184901-Oral)

Authors:

- J.R.Bargar - *Stanford University*
- S.Webb - *Stanford University*
- V.Chui - *Stanford University*
- J.E.Villinski - *Stanford University*

Corresponding Author Information:

John Bargar

Menlo Park, CA 94025

phone: 650-926-4949
e-mail: bargar@slac.stanford.edu

Presentation Information:

Presentation Date: Monday, November 11, 2002
Presentation Time: 9:30 am

Keywords:

manganese oxide, bacterial oxidation, spectroscopy, Mn(III)
